Description

Technical Description An exceptional full wrythen decorated, 18th century ale glass, dating to c1740. Narrow conical bowl form with shoulder and basal wrythen knobs above a conical foot with a very wide fold. This is the final example from a wrythen ale glass collection we received back in May 2024. We kept what we thought was the best for last. Great form, beautifully balanced, sharp wrythen, good grey metal and a wide fold. Overall, this form doesn't get much better. **Date & Origin** England, c1740-50 **Condition** Excellent, no chips, cracks or restoration. **Dimensions** Height: 13.5cm Bowl diameter: 5.2cm Foot diameter: 6.4cm.
