Description

Another superb example of these ever popular wall clocks. The golden oak case is nicely polished, retaining its original finish with a lovely age related patina. It strikes the Westminster Chime on the quarters and the hours. Importantly, it strikes on steel rods, giving it a beautifully crisp, resonating tone. It is fitted with a STRIKE/SILENT switch off. The silvered dial has black Arabic numerals with a brass surround and nicely cut hands. The 8 day movement has just been fully overhauled by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. A lovely little, quality clock in first class order. All cards accepted. Why pay silly, over inflated prices for a clock when you can buy a perfect, guaranteed example from MASONS ANTIQUES.
