Description

A Queen Anne Walnut Chair, England C1710 with Drop-in Seat, Original Form. A fine example of an elegant early 18th century, Queen Anne walnut chair of original, handsome form with an established patina and great colour. A stylish curved high back, a typical feature of the earlier Queen Anne models with shaped top rail and central vase splat, thin shaped moulded rails and original drop-in seat, requiring upholstery. Front cabriole legs with pad feet, turned rails with square terminals where they unite. A well constructed, cabinet made chair in excellent original condition, just back from our workshop where it received minimal conservation..., no significant historic repairs, a repair to 1 of the pad feet but nothing intrusive and very stable, it sits well. A superbly stylish Queen Anne chair, a versatile chair for a day or bedroom, hallway or occasional side chair etc..., that feels at home in a classic or contemporary space. A handsome antique chair with a considerable interior design appeal.
