Description

A good set of 4 farmhouse dining chairs dating from the late 19th century. They have shaped elm seats with spindle backs and they stand on ring turned legs joined by H-stretchers. The chairs stand approximately 33 1/2" (85cm) high. The seats are 14" (36cm) deep, 13 1/2" (34cm) wide and 17 1/4" (44cm) high. They are in good original condition with a nice colour. They are strong and sturdy with no major damages. There are signs of age and use, some marks and light knocks on the seats and around the legs and minor old shrinkage splits but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
