Description

A lovely antique pine cupboard dating from the late 19th / early 20th Century. It has two glazed doors which open to reveal a shelved interior and it stands on a plinth base. It has pretty brass escutcheons and comes with its original working key. It is in good condition with a nice warm patina. There are signs of age and use, some small knocks and minor marks but nothing detrimental. There are some minor signs of old woodworm which has all been treated as a precaution. It has been cleaned and lightly polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
