Description

A rare pair of trade props in the form of large sausages for use in a butchers shop or delicatessen. The larger of the two is earlier in date and made from a compacted sawdust covered by velum, the smaller is an early plastic. They are wonderful pieces of folk art and would bring colour and whimsy to a kitchen. Dutch . 1910-1940 width 30.5 cm (12") smallest Width 38cm (15") largest
