Description

A lovely antique mahogany grill front marble top sideboard, made in England, and dating from around the 1920's. This is of superb quality, it has a gorgeous green marble top that compliments the mahogany beautifully. The central door has a wonderful brass grill with pleated gold fabric behind. This is a useful size with plenty of storage space, while not being too imposing. We have had the mahogany re-polished, this is in great condition for its age, with some minor wear and patina here and there. The fabric also has some light signs of wear, nothing that detracts from the overall look. Width - 48 inches , 122 cm Depth - 16 inches , 41 cm Height - 33 inches , 84 cm
