Description

A particularly attractive antique 19th-century oak chest of drawers. This oak chest features a straight front and an arrangement of two short drawers over three long, graduating drawers, each fitted with wooden knobs. It is raised on ogee bracket feet and has a rich colour and patina throughout—a rather lovely example. Item Ref; M-5763 . DIMENSIONS: Height - 96cm / Width - 95cm / Depth - 56cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches throughout the piece. To the top, there is some staining (pictured) as well as splitting (pictured), which also appears on the sides of the chest of drawers. Overall, the oak chest of drawers remain in great antique condition. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home.
