Uzbekistan

Price

Sold

Item Reference: SA1111574

Date of manufacture: 1850

Dimensions

Height = 236 cm (92.9")

Width = 135 cm (53.1")

Description

These dowry textiles have rightly grown extremely popular in recent years. They display so much talent and skill they deserve the recognition. Still undervalued, these beautiful embroideries are full of energy and expression. Look how the flowers move, how the silk shimmers and the clever use of two greens to create depth in the colour. A work of art! 4'5" x 7'9"
