Description

University of London Antique Oak Library Trolley A super quality, English Edwardian antique solid oak library trolley, originally made around 1900 for the University of London library. Double sided for book storage and moves around on four amazing large spoked iron wheels. There is an old paper label which we have left on, but this could easily be removed. In excellent solid condition, moves around easily on the wheels. The University of London hand written labels are to both ends. Perfect for a book worm or maybe in a kitchen for a recipe book fan! Dimensions Height: 103cm (40.87") Width: 91cm (36.11") Depth: 41cm (16.27")
