This absolutely stunning all brass King-sized bed is certainly impressive in its construction and design, lots of lovely aesthetically pleasing features such as the ball joints with attractive rod ends and brass balls making a lovely and unique formation, complimented by nice and sturdy 2" posts, all in all a very handsome choice. We would recommend this bed be sold with one of our bed bases and we have included this within the cost, this can be deducted if not wishing to use a bed base / have a very deep mattress.
