Description

A lovely set of 6 silver teaspoons in their original box. They are excellent quality with an all over engine turned art deco style decoration. Each spoon is fully hallmarked for Birmingham, 1927, Adie Bros Ltd. The total weight of silver is approximately 63g. They are in good condition with clear hallmarks. There are some faint surface marks but no major damages and they display beautifully. They have been lightly cleaned and polished and are ready for use. The set comes in its original silk and velvet lined box, with fitted sections to hold each spoon. The interior is clean and tidy although there are signs of age and use on the outside of the box and some losses and scuffs around the edges and the latch on the catch is missing but overall it displays well. Approximate Measurements: Spoon Length : 3 3/4" / 9.5cm Box : 6" / 15cm long x 5" / 13cm wide The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
