Sold

Item Reference: SA1111902

Date of manufacture: 1880

Dimensions

Height = 238 cm (93.7")

Width = 74 cm (29.1")

Description

Two from the same carpet. No, I did not cut it and no, I do not have any more :) Same size as the other fragment so together they can cover nearly 5 metres of hallway. Great value for money, and really pretty colours. Both in generally good condition, except each have one long side that is unsecured due to being cut away from the main body of the carpet. Sold as is. 2'5" x 7'10"
