Description

Georgian Antique Original Painted Pine Lowboy Table A very shapely English 18th century antique lowboy side table, most unusual to find in original painted pine, rather than being made in oak. It is a lovely model that has three drawers, all have the original period brass handles, underneath is a lovely shaped apron and to both sides. Stands well on cabriole legs that finish on a pad foot. In very good condition, the table top is nicely moulded and the original paint finish is very intact. English and dating to around 1770. Dimensions Height: 71cm (28.17") Width: 70cm (27.78") Depth: 50.5cm (20.04")
