Description

A good example of an antique gilt table lamp, dating from the early 20th century. It stands on three scrolling feet with a traditional candelabra style column. It is in good condition and displays well. The gilding is generally bright and clean and although there are some areas of wear and minor losses it has a lovely patina and displays well. It is in working order and has been PAT tested and rewired to modern standards to take a standard bayonet bulb. Approximate Measurements: Height : 21" / 53cm Base Diameter : 6 1/4" / 16cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
