Description

When you find a lovely old Heriz rug with woollen wefts and a superior tonality, they can be assigned to the neighbouring region of Bakshiash, where the better variety of Heriz hails from. With the pink border, terracotta field and heavily abraded light blue corners this little rug has powerful charm and is easy to see why they are so popular. This one although showing light wear, has many years of life left and is clean and secure ready to cheer up a small part of your home! Priced very reasonably to sell. 3'0" x 5'7"
