Description

A beautiful pair of antique mahogany Chippendale style side tables. They were made in England, they date from around the 1900-1910 period. They are of outstanding quality, and they are a lovely, petite size. There is exceptionally beautiful pierced fretwork around all sides, there are also beautifully carved and elaborately shaped stretchers connecting the legs. The mahogany has a gorgeous, rich colour tone, and has a wonderful all round patina. We have had these recently repolished, they are in excellent condition for their age.
