Description

This dresser base is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser base would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen or living room with a flat TV placed upon it. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. Each door has one panel with a moulding around the edge which is a nice feature. There is a key to lock the door. Behind the door there is a shelf for storage. Above the doors are two drawers and each drawer has a round turned wooden knob. The top is in good condition. There are fluted columns and carved corbels to the sides. The height is 89cm, the width is 105cm and the depth is 54cm.
