Description

Antique French Oak King-Sized Bed (Circa 1880) This magnificent king-sized bed is a timeless piece of 19th-century French craftsmanship. Carved from solid oak, the intricate detailing on the headboard and footboard showcases the elegance of the era, with floral motifs and ornate barley twist posts adding character and charm. The bed has been thoughtfully updated with a custom metal base and a durable mattress platform for modern comfort without compromising its historical appeal. The bed exudes a rustic, old-world charm, perfect for those looking to transform their bedroom into a sophisticated retreat. Whether set in a traditional or eclectic space, this piece makes a striking centerpiece. Optional Bedside Cabinets (NOT INCLUDED IN PRICE they have a separate listing) A matching pair of antique bedside cabinets is available to complete the ensemble. Crafted in the same rich oak and complementary design, they feature carved detailing and ample surface space, ideal for bedside lamps, books, or decorative accents. This set is not only a practical investment but also a rare find for antique enthusiasts or those seeking a piece with history and style. Delivery options and...
