Description

A good example of a matching pair of Sterling Silver sauce boats with elegant curved handles, wavy rims and three splayed feet. They are stylish and good quality, weighing approximately 220g in total. They are both clearly hallmarked for Viners Ltd, Sheffield, 1940. They are in good condition for their age. There are no major damages and they display well. There are some faint internal surface marks and some minor dinks here and there but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
