CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches throughout the piece. There is evidence of historic woodworm to the top (pictured), though it is now long gone and has been fully treated as a precaution. Additionally, the table has some scratches to the top. The legs have been modified to increase the seat height, which has enhanced its practicality. These age-related imperfections do not detract from the table's overall appeal. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To pr...
