Description

A beautiful high quality English antique solid sterling silver art nouveau belt buckle. It is hallmarked for Birmingham 1907 with the maker being Lawrence Emanuel. It has been superbly designed and is in superb condition being free from dings splits and repairs. It measures approx. 4.75 inches (12cm) across by 2.75 inches (7cm) tall, the belt loops measure 2 inches (5cm) wide and it has a good weight of 56 grams. A very well made piece.

Internal Ref: 37530
