Description

High Lath-back Windsor Chair - c1900 This Lath back Windsor chair is a good example presented in Elm and Beech. The chair has good seat height combined with great strength in the back and arms and therefore makes an excellent choice as a regular daily use chair. The Elm seat plate displays the grain and beauty of the wood superbly. The chair rides upon turned legs which are united by a double 'H' stretcher for extra robustness and durability. This chair is in excellent condition throughout and will make a charming addition to any home. Please do not hesitate to contact us if you require further information - we are here to help.
