Description

A stunning, fine and impressive antique Edwardian 2.05 carat emerald and 0.40 carat diamond, 9 carat yellow gold and platinum set brooch; part of our antique emerald jewellery and estate jewelry collections. This stunning antique brooch has been crafted in 9ct yellow gold with a platinum setting. The pierced decorated setting is embellished with a central formation of a vertical emerald flanked with two horizontal emeralds, all individually yellow gold collet set baguette cuts. The brooch incorporates four further collet set baguette cut emeralds, in a segmented linear formation. The plain frame of the brooch is embellished with twenty pavé Old European round cut, accented with millegrain decoration, completing the design. This fine example of original 1910's jewellery secures to the reverse with a hinged pin and clasp fastening. This emerald brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold and platinum. The antique Edwardian bar brooch with emeralds and diamonds is supplied with an IDGL diamond and gemstone grading report card. Rather than regarding inclusions in coloured stones as harmful, ...
