CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches throughout the piece. The table shows evidence of historic woodworm to the surface (pictured), though this has long been treated and is no longer present. There is some loss to part of the surface (pictured) as well as to the tripod pillar (pictured). The top also displays staining and fading (pictured), which adds to its aged character. Additionally, there is some loss to the feet and a historic repair, reflecting the table's use over time while enhancing its rustic charm. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that e...
