Description

Rare 19th Century German Artists Sculptors Studios Model Never seen the like in such original condition. A highly decorative and sculptural form of a 19th Century German artist's studio carved horse model. Carved in sections of heavy wood in typical pre 1870 running pose. Detachable head (which would have allowed the artists to focus on detail of this area on a stand of sorts with remains of leather bridle still present. Untouched original surface with exceptional patina. You won't find another Size in inches: H 16" x W 33" x D 9" Origin: Germany Date: 19th Century Condition: Good This item is over 100 years old and well used as the photos show, its covers in areas with a deep natural patination that has taken many years to form. This object is completely solid in form and structure. The ears have worn away over time as have the details in the mane, bridle and eyes (we have tried to show this in the photos provided). We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid disappointment upon purchase. A direct message usually takes 24 hours to answer. For multiple years we have so...
