Date of manufacture: 19th Century

Dimensions

Height = 126 cm (49.6")

Width = 95 cm (37.4")

Depth = 4 cm (1.6")

Description

This is a hugely decorative 19th century Italian wall mirror. The frame is the very attractive ripple stepped design that is a popular choice for house interiors of any style. The timber frame rather than the more traditional ebonised is a lovely difference and gives this an elevated class that will work well for many years. Can be hung either portrait or landscape 126cm by 95cm Price includes UK mainland delivery
