Description

This exquisite Edwardian mahogany bureau bookcase is in superb antique condition with makers plaque. The piece conveniently separates into sections for easy transport within the home. It features a top section with a flared cornice over two glazed panel doors, enclosing three fully adjustable shelves to fit books or ornaments of any size. The lower section comprises the bureau, two small drawers, and three larger graduating drawers. Inside the bureau, pigeonholes, additional shelves, and two drawers are complemented by a green leather writing surface. The entire bookcase rests on bracket feet and boasts a timeless, elegant design that will captivate antique furniture enthusiasts and collectors alike. Turner, Woodward & Co specialized in creating pieces that combined functionality with artistic craftsmanship, making their furniture highly sought after by collectors and enthusiasts. The company operated during a time when Manchester was a significant industrial and commercial hub, contributing to the city's reputation for skilled manufacturing and design. Turner, Woodward & Co. Ltd. produced a variety of furniture items, including display cabinets, bookcases, and other d...
