Description

These are a stunning pair of 19th century Italian mirrors. The ebonised finish is totally original and has a lovely aged patina. Minor aged related marks but nothing that takes away from the decorative appeal. The frames are very thick and extremely high quality. Black accessories in a room really do add a touch of class to a space and these would look amazing either side of a mantle piece or similar. These can be hung either portrait or landscape 126cm by 95cm Price is for the pair and includes UK mainland delivery
