Description

A fine pair of drawings probably of the Virgin Mary and the angel Gabriel after Raphael. They are beautifully drawn in amazing detail with a delicate softness. The pair are both signed for Raphael but not by the actual artist and I suspect this may be because they were art school examination pieces. The pair are both in excellent condition, please note there is some reflection in the glass in the photos. The pair are framed in what is no doubt the original simple black frames and are ready to hang. A great pair of decorative drawings with a very stylish look, C.1900. Overall sizes in inches each, including frames: 17 ¼ by 22
