Description

Carolean carved oak high back chair - having a very decoratively carved back, legs and stretcher. The seat pad is of a tapestry floral design. This chair is very opulent and elegant.... It is both solid and sturdy ! There may be some minor cosmetic marks here and there, but nothing major to note! There is a historic repair to the back panel of this chair with metal work securing the fretwork - it is solid and sturdy and in no way takes away from the chair!
