## Description

This 19th Century Fire Place was rescued from a Presbytery in Sussex during extensive renovations. The Fire place is Cast Iron and I would think that it had been especially made, there are scenes of the Nativity in relief on the front of the Fire place and a Latin Script. The Fire place is in Good condition structurally, it could do with being stripped and repainted and there is a wooden mantle piece that came with the Fire Place this also is black but may not be original. The fire Place is 29" high, 40" wide and 11" deep, the fire inset is 11" wide and 26" high. DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE. Delivery times vary from 7 to 28 days.
