## Walnut Cassone

Price

**Sold****Item Reference: SA1114329****Date of manufacture: Before 1700**

### Dimensions

Height = 63 cm (24.8")

Width = 145 cm (57.1")

Depth = 57 cm (22.4")

## Description

Handsome 16th century Italian walnut cassone raised on lion's paw feet which are later replacements. The three moulded panels are decorated with floral carving typical of the period. It has the unusual feature of a front opening for a small locked storage space. So this piece was probably not a trousseau chest but more of a domestic or even a church piece. For more photos or a more detailed condition report on any of these pieces please contact us any time

Internal Ref: walnut cassone 2
