## Description

A good example of a small solid silver ring tree. The 'tree' stands on an ornate embossed dish with cherub design. It is stylish and good quality, weighing approximately 20g. It is clearly hallmarked for Chester, 1905 and the maker James Deakin & Sons. It is in good condition for its age. There are some faint surface marks and a few minor dinks around the rim but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
