Description

Fine Regency Rosewood Library or Writing Table A fine English Regency rosewood library or writing table, dating to the early 19th century. The table has a well-figured rectangular rosewood top with a moulded edge, positioned above a practical arrangement of drawers. It is supported by elegant turned and carved end supports, united by a central stretcher and raised on boldly shaped feet with brass castors. The rich rosewood displays attractive grain, warm colour and a pleasing patina developed through generations of use. Its restrained proportions and architectural form are characteristic of the finest Regency-period furniture. Designed to be both practical and decorative, the table would work beautifully as a library table, writing desk or freestanding centre table. Its finished appearance makes it particularly suitable for placement in the centre of a room, study, drawing room or traditional interior. The table remains solid and usable, with expected marks, small blemishes and signs of age throughout. There are some marks to the top and an age-related expansion split, consistent with the natural movement of timber over approximately two centuries. These details have...
