Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. This cupboard is in one piece and very heavy. I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one large drawer to the bottom. The drawer has round turned wooden knobs. There are two doors standing on metal pin hinges. The doors have two panels. Each panel has a fielded diamond on it. There is a key that locks the doors. Behind the doors there are shelves for storage. The shelves are not fixed so more could be placed in if required. The top is in good condition. The height is 173cm, the width is 105cm and the depth is 46cm.
