## Description

A superb French 'regulator' mantel clock of the late 19th century. On display within the four very thick bevelled 'white' glass panels is a two piece enamel dial in superb condition, with small Roman numerals on the outer dial, as well as the central visible Brocot escapement, numbered '7398', to the reverse of the dial. The recently overhauled 8-day French movement, striking the hour and half hour on a bell, and the sealed mercury compensating pendulum suspended below. Sitting on a plinth base with bracket feet, the attractive floral engraved case has been re-gilded. Sold with a 24 month guarantee.

Internal Ref: CL-MA-1680
