Active at Howard Street and Arundel Street, Sheffield and Hatton Garden, London. Present in Sheffield Directories 1950-1957, later continuing to trade in London. The brand survived until c. 1990 Cocktail shaker is a device used to mix beverages (usually alcoholic) by shaking. When ice is put in the shaker this allows for a quicker cooling of the drink before serving. A shaken cocktail is made by putting the desired ingredients (typically fruit juices, syrups, liqueurs and ice cubes) in the cocktail shaker. Then it is shaken vigorously for around 5 to 10 seconds,...
