Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely light grey paint. We rubbed over the edges and waxed it giving it a stunning shabby chic appearance. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would also look great amongst other painted furniture. The cupboard stands on a scolloped plinth supporting the main section. There is one large drawer to the bottom that has a pretty moulding around the edge. There is one large tall door with one panel that is shaped lovely to the top. There is a key that locks the door. Behind the door there are shelves for storage. The shelves are not fixed. The top has a standard graduated cornice. The height is 184cm, the width is 99cm and the depth is 49cm.
