Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely light grey paint. We rubbed over the edges and waxed it giving it a stunning shabby chic appearance. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would also look great amongst other painted furniture. The cupboard stands on square back legs and round turned bun feet supporting the main section. There is one large drawer to the bottom. There is one large tall door with one panel that is shaped lovely to the top and bottom. The door stands on original georgian pin hinges. There is a key that locks the door. Behind the door there are shelves for storage. The shelves are not fixed. There is a pole to be used as a hall / child's wardrobe. The top has a standard graduated cornice. The height is 191cm, the width is 104cm and the depth is 50cm. The internal depth is 39cm
