Price

Sold**Item Reference: SA1115539****Date of manufacture: Edwardian**

Description

High quality English antique solid sterling silver asparagus, vegetable, or sandwich serving tongs. They are hallmarked for Sheffield 1906 with the maker being Martin, Hall & Co (Richard Martin & Ebenezer Hall). They are highly sprung and in good working order. They are in superb condition being free from dings splits distortions and repairs. They measure approx. 9.25 inches (23.4cm) long by 2 inches (5cm) across the grips and they weigh 174 grams. Super quality examples.
