Description

Pair of 18th century Italian candlesticks or altar candlesticks, retaining the original silver leaf. They have been converted to lamps and would require rewiring if to be used as lamps again. They have had lead weights added to give stability but these could be removed if desired. These can be viewed in our showrooms in North Yorkshire at any time by appointment. Please contact me on 07710 793753 with any questions or if you would like further images. Shipping and delivery can be arranged on your behalf. Or may be included depending on location.
