Description

This cupboard is in good condition. This is painted in a lovely green and brown / red paint. It is Swedish. The cupboard would look well in an old or modern property in an entrance hall. I will require a hand off the van with this into your hallway as it is very heavy. This is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. The cupboard stands on square back legs and splayed front feet supporting the main section. There are two large doors on original gerogian metal hinges with one large panel. The corners are angled. The top has a standard graduated cornice. There is an original key that locks the doors. Behind the door there are shelves and drawers. There is an authentication certificate which is nice. The height is 175cm, the width is 140cm and the depth is 57cm.
