Description

This bookcase is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The bookcase would look well in an old or modern property in any room for storage of many books amongst similar antique pine furniture. The bookcase is in two pieces making it easy to move into a property. The bookcase stands on a square plinth supporting the main section where there are two tall thin doors with one panel. Behind these doors there are two shelves. The shelves are fixed. The height of the bottom section is 31cm, the height of the middle section is also 31cm and the height of the top section is 28cm. The top sits neatly upon the base and is slightly set back having two tall thin glazed doors. Behind these doors are two shelves. The internal depth is 22cm. The shelves are adjustable. The top has a standard graduated cornice. The height is 214cm, the width is 101cm and the depth is 43cm.
