Description

A beautiful large stunning Swiss solid silver lidded bowl or urn. It is hallmarked with 800 standard mark along with the Swiss maker of Jezler, a very highly regarded firm. I would date it to c1920s. It has been superbly designed being hand planished and is in superb condition having no dings splits or repairs. It measures approx. 7 inches (7.7cm) across including the handles and over 3.75 inches (9.7cm) excluding them across the rim by over 4.25 inches (11cm) across the base by 6.5 inches (16.4cm) tall and weighs 422 grams. A stunning example, about as good as it gets.
