Description

Childs painted wooden wheelbarrow. Found in France, early 20th century. A slightly larger, and later model than we usually have, hence its excellent condition. There is original paint underneath a later added layer which has been exposed. Lightly polished with wax for protection. The metalwork around the wheel and the bracings on the front and back make this a really sturdy model. Width 125cm (49.25") Depth 46cm (18") Height 43cm (17")
