Description

A lovely fretwork wall mirror dating from the early 19th century. It has an intricate carved mahogany frame with cushioned border and its original bevelled glass. It is in good condition for its age and displays well. There are some minor signs of age and use and a couple of old repairs but no major damages or anything detrimental. The glass has a few age spots and areas of foxing which has given the glass a lovely patina. It has been lightly cleaned and polished and is ready to hang.
