## Description

A beautiful pair of solid sterling silver candelabras. They are hallmarked with the Danish Copenhagen date marks for 1935 & 1939 with the maker being Carl M Cohr and the Assay Master mark of Johannes Siggaard. They have a beautiful Art Deco design. They are in superb condition being free from dings splits and repairs. They each measure approx. 11 inches (28cm) across the sconces by 5.25 inches (13.2cm) across their bases by 6.75 inches (17.2cm) tall to the top of the sconces and they have a combined weight of 834 grams (appears to be some weighting to the base). A rare stunning pair.
