## Description

For sale a suite of Legion D'Honneur presentation marine instruments for French Naval Officer Marcel Andre Raoul Ebstein Kalfa, manufactured by the Parisian firm of Ponthus & Therode (successors to the firm of A Hurlimann). The set comprises of three walnut cased instruments, a sextant, a pair of associated binoculars which may be attached to sextant and an artificial horizon. The skilfully proportioned ladder framed sextant is complete with index arm, adjustable vernier and double hinged magnifier, the index arm is also inlaid with a brass plaque stating the recipient's name; "Ebstein, Kalfa Marcel Andre Raoul. Prix offert au nom du President de la Republique" (Kalfa Marcel Andre Raoul Ebstein. Prize given in the name of the President of the Republic of France). The divided arc is completed in silver and lacquered brass inscribed with the maker's name of "Lorieux, A Hurlimann succ'r a Paris" and a serial number 2683. It has four index and three horizon shades, original glass mirrors, mahogany handle and a threaded loop into which three different telescope options can be fitted for use. The loop has a thumb screw to the side which allows for this to be loosened and rem...
