Description

A superb original Art Deco figured walnut cheval floor mirror. This was made in England, it dates from the 1930's. It has a stylish and quite unusual design, the quality is outstanding. The base is arched with wonderful curved segmented sections, it is finished identically on both sides. The mirror can tilt and lift out for ease of transport. We have had the frame stripped and re-polished, this is in excellent overall condition for its age. There is just some minor wear to the silvered backing on the outer edges of the mirror, seen in the images and commensurate for age. Width – 45 cm , 17.5 inches Depth – 39 cm , 15 inches Height – 150 cm , 59 inches
